

PKPP GROUP NDPE POLICY

In accordance with the adherence of PKPP Group NDPE Policy, we are hereby committed to:

No Peat

1. **To avoid new development on peatlands** that involves all kind of peat lands and regardless of depth.
2. **To practice the compliance of Malaysian Sustainable Palm Oil (MSPO) Certification Scheme on the management of existing peatland.**
3. **To protect all the buffer-zones with vegetation** without using any kinds of agrochemical products to protect the environment.
4. **To implement the peatland conservation efforts** through the collaboration with environmental NGOs and research bodies (where feasible).
5. **To prohibit any kind of wildlife hunting and fishing activities on peat areas** to protect the diversity of the ecosystem.
6. **To stabilize the water level** in peatland areas for the purpose of conservation.
